SELECTMEN'S REPORT

The dedication and willingness to put what could be personal, more pleasurable time into the work that being a town official demands is not a sacrifice that everybody is willing to make. With that in mind, we would like to thank all of those individuals who have given of their time and their energies in an effort to make Danbury a better place to live and support a better local government.

We would like to express a very special thanks to a very special person this year. It would not be possible for us to do our job without the assistance and support of people like Mrs. Dorothy Heath, a dedicated town clerk and tax collector for Danbury until her "retirement" this year. Mrs. Heath gave of her time and her efforts for 33 years and we would like to wish her good health and happiness in her retirement and offer her our heartfelt thanks for a job well done.

During the past year, the Selectmen have met weekly and conducted the normal affairs of the town. Beyond those normal charges, we have sold the timber off of the Barney-Schlegel lot for a gain to the town of \$4,783.30. We have also conducted a sale of town owned lots in Echo Glen and have received \$14,000 from the sale of 43 lots. We still own 11 lots in Echo Glen and will attempt to sell them this year. Some improvements were made in the Town Hall, the furnace was relocated to give more room in the Selectmens office, insulation was placed in the ceiling where there was none before, folding stairs were installed to gain access to the upstairs and new combination storm/screen windows were placed on the entire building. These should reflect in a savings in the amount of heat needed for the building.

You will find the warrant for town meeting this year very long, 35 articles, opposed to the 17 that were there last year. We ask that when speaking at Town Meeting that your questions and comments be directed to the article in discussion and that repetition be avoided so that the meeting does not run into next summer.

The warrant contains eight articles pertaining to the closing of roads in Danbury. These roads service one home each and are very short and as time goes by, have proven expensive to the town to maintain. This list of roads was provided by the highway department.

There is an article requesting \$1,600 for the purchase of a culvert thawer, for the problem that we have had in the past two years with frozen culverts has proven our need for such an item.

An article is also included for the purchase of a fuel tank and pump for the highway department. With the new loader that was purchased this past year, the need to pump fuel has increased and the physical time and energy necessary to pump by hand has made this necessity of a new pump and tank.

An article requesting \$8,400 for Town Hall renovations is for insulation, new lights, a new electrical entrance and renovations upstairs to accomodate the overflow of records that are now improperly stored and provide a working area for the town officials. Anybody who has ever attended a Selectmens meeting or had to work in that office will agree that the physical size of the office limits the productivity and efficiency of the town officers. We strongly urge your support on this article.

1980 has been a year of incresed taxes for all of us. We have heard the comments and urge you to participate in your government, attend the town meeting, attend the school meeting.

Thank you for your cooperation and assistance in 1980 and we look forward to serving you again in 1981.

Donald J. Cook Sr.
James D. Phelps
Merton E. Austin
Selectmen of Danbury

DANBURY TOWN WARRANT

To the inhabitants of the Town of Danbury, in the County of Merrimack, in said State, qualified to vote in Town affairs,

You are hereby notified to meet at the Town Hall in said Danbury on Tuesday, the 10th of March, next, at one of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town officers for the year ensuing. The business meeting on all other articles will begin at 7:30 P. M.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To raise such sums of money as may be necessary for the maintenance of highways.
4. To see if the Town will vote to raise and appropriate the sum of \$1,094.96 and receive the state contribution of \$7,299.75 for TRA.
5. To see if the Town will vote to transfer any unexpended sums appropriated for Civil Defense and the Forest Fire Department to Capital reserve funds at the end of the year.
6. To see if the Town will vote to authorize the Selectmen to sell real estate taken by the Town for non-payment of taxes or by Collector's deeds.
7. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
8. To see if the Town will vote to raise and appropriate the amount of \$3,608.33 for principal and \$2,103.45 for interest for the payment of the loader note.
9. (By Petition) To see if the town will vote to appropriate \$100.00 to help defray the expenses of the Jiminy Cricket Kindergarten.
10. (By Petition) To see if the Town will vote to authorize the Selectmen to appoint a five (5) person committee and one (1) Selectman as an ex-officio member, for a period of one year, to set up rules and regulations to govern the use of the Town Hall.
11. To see if the Town will vote to ratify the Planning Board's action in establishing a minimum lot size of two acres in the subdivision regulations of the Town of Danbury.

12. To see if the Town will vote to ratify the Planning Board's action establishing minimum set back requirements for any buildings or mobile homes of thirty feet from the edge of any road right of way and twenty-five feet from all other property lines.
13. To see if the Town of Danbury will vote to adopt the following ordinance pursuant to RSA 156 as follows:
 1. It shall be the duty of the Board of Selectmen to administer the provisions of this ordinance.
 2. No person, firm or corporation or their agent shall erect any new building or structure, or make substantial improvements to an existing building or structure, or establish or maintain a mobile home or cause the same to be done within the Town of Danbury after the date of passage of this ordinance without first notifying the Selectmen.
 3. Any person, firm, or corporation violating the provisions of this ordinance shall be subject to a fine of \$10.00 and each day's neglect to notify the Selectmen shall constitute a separate offense.
Substantial improvement shall mean any changes which will increase the market value of the property by 50% or more and shall also refer to the replacement of fire damaged properties.
14. To see what action the town wishes to take with the monies received from the Echo Glen land sale and make an appropriation therefore if necessary.
15. To see if the Town will vote to authorize the Selectmen to accept gifts and/or Federal or State aid in the name of the Town of Danbury.
16. To see if the Town will vote to raise and appropriate \$8,400 for improvements to the Town Hall.
17. To see if the Town will vote to raise and appropriate the amount of \$3,000 for the Capital Reserve fund for Highway Equipment.
18. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the use of setoffs against budget appropriations in the amount indicated below; and, further to authorize the Selectmen to make pro rate reductions in the amounts if estimated entitlements are reduced or take any other action hereon;

Appropriation	Estimated Amount
Police	\$3,000
Highway	6,000
Town Dump	4,960

20. To see if the Town will vote to raise and appropriate the amount of \$1,000 for the survey of the Barney-Schlegal lot.
21. To see if the Town will vote to raise and appropriate \$300 for the Baptist Cemetery Fence.
22. To see if the Town will vote to raise and appropriate \$1,600 for the purchase of a culvert thawer.
23. To see if the Town will vote to raise and appropriate \$1,000 for the purchase of a 1,000 gal. fuel tank and electric pump for the use of the highway department.
24. To see if the Town will vote to discontinue the highway described as follows: Morrison Drive from the point where it leaves Searle Hill Rd. to the point where it re-connects Searle Hill Rd., a distance of 500 feet, more or less, as allowed by RSA 238:1.
25. To see if the Town will vote to discontinue and make subject to gates and bars the highway described as follows: Currier Drive, also known as the Old Braley Road, from Waukeena Lake Road to the end of said road, a distance of 250 feet, more or less, or to whatever point the road has been discontinued in the past, as allowed by RSA 238:2. The gates and bars shall be maintained by the Town.
26. To see if the Town will vote to discontinue the highway described as follows: Chellis Drive from Jones Hill Road to the end of said road, a distance of 300 feet, more or less, as allowed by RSA 238:1.
27. To see if the Town will vote to discontinue the highway described as follows: Roy Glovers drive from Gould Hill Road to the end of said road, a distance of 380 feet, more or less, or to whatever point the road has been discontinued in the past as allowed by RSA 238:1.
28. To see if the Town will vote to discontinue the highway described as follows: Marino Drive, formerly a portion of the Mascoma Highway, from School House Road to the end of said road, a distance of 250 feet, more or less, or to whatever point the road has been discontinued in the past as allowed by RSA 238:1.
29. To see if the Town will vote to discontinue the highway described as follows: Lebaron Drive, from Waukeena Lake Road to the end of said road, a distance of 500 feet, more or less, or to whatever point the road has been discontinued in the past as allowed by RSA 238:1.

30. To see if the Town will vote to discontinue the highway described as follows: Bliss Drive, from Waukeena Lake Road, a/k/a Stewart Hill, to the end of said road, a distance of 600 feet, more or less, or to whatever point the road has been discontinued in the past as allowed by RSA 238:1.
31. To see if the Town will vote to discontinue the highway described as follows: Helburn Drive, from North Road to the end of said road, a distance of 750 feet, more or less, or to whatever point the road has been discontinued in the past as allowed by RSA 238:1.
32. To see if the Town will vote to authorize the Selectmen to name Restful Road, so called, Clark Gray's Road.
33. To see if the Town will vote to authorize the Selectmen to name School House Road, so called, Roy Ford's Road.
34. To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of The General Court, the concurrent resolution to amend the state constitution to limit the annual increase in both taxes and spending by the State, or any city, town or other governmental unit of the State to five percent unless approved by a 2/3 vote of those present and voting of such taxing or spending authority.
35. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 23rd day of February, in the year of our Lord nineteen hundred and eighty one.

DONALD J. COOK SR.

Summer and Winter Maintenance	30,707.32
Federal Anti-Recession Funds	501.00
General Expenses	16,002.95

TOTAL: \$85,224.16

The new loader was purchased this year and used on the various road projects as well as loading winter sand and general use loading gravel.

TRA funds were used to place additional gravel on the upper half of Wild Meadow Road, seal a piece of road by Maurice Wells' and a portion of High Street.

Additional Highway Subsidy funds were used to widen Jack Wells' Road and the portion of the Camp Kenwood Road that Danbury owns between two pieces of Wilmot's road. This work removed a narrow piece of road that existed before.

Duncan Funds were used to grub and gravel Eastern District Road and mix a quarter mile over there. Eastern District should be completely repaved in 1981.

Alan Huntoon,
Road Agent

GEORGE GAMBLE LIBRARY REPORT

Library Hours:

Wednesday 4 - 6 pm

Saturday 1 - 3 pm

Circulation: 1,793

Books received from Bookmobile: 1,127

Librarians: Kathleen Knott, January to June; Margaret Barnett, July to December

We, at the library, feel we have achieved a considerable amount this year.

At the end of June, Kathleen Knott became employed and resigned from the library. We appreciate the time that she was able to give. After much consideration of possible candidates, the trustees elected Margaret Barnett to the position. We are pleased with her performance and appreciate her dedication.

In July, The World Book Encyclopedia series was updated from the 1969 to the 1980 editions. This will be advantageous to the school children.

The Walt Disney film "Barefoot Executive" was shown in October for the fun and entertainment of the Danbury citizens with a small charge for the cost of the film.

The week of November 17th was National Book Week. The library had a poster contest, "Books Alive". We would like to thank the students who participated in the contest. The 1st and 2nd grades were the most competitive with a total of eleven posters. The 3rd and 4th grades presented eight, and the 5th and 6th grades only displayed two. We hope in the future the 5th and 6th grades become more interested. Rewards were given for 1st, 2nd, 3rd and 4th place winners.

We wish to thank Harriet Ford for the time and energy spent establishing a card catalog and sorting a large number of books. This was extremely helpful in the organization and efficiency of our library. All concerned thank her very much.

Thank you to the following for contributing books to the library: Mr. John Ford, Miss Tricia Taylor, Mr. William LaClair, Mr. and Mrs. Randolph Mauch, Mrs. Dorothy Ford and Mrs. Judith Vertefeuille.

Respectfully,

Nancy L. Pollard, Chairperson

Ann Knott

Kendra Fifield

DANBURY VOLUNTEER FIRE DEPARTMENT

Fire Commissioners' Report

The Department has had an addition to the Firehouse erected on the land where the old Town Shed once stood. The exterior work has been completed and the interior is being worked on as time and funds permit. The funds used to construct the addition were accumulated over the years through our fund raising activities, the Annual Turkey Supper, the Annual Gun Raffle, and our Monthly Cash Drawing. Therefore the Department wishes to thank all who so generously supported and contributed to these activities. You made the building of this addition possible. Your continued support is respectfully solicited.

The funds voted for the Fire Department at last year's Town Meeting were used to defray the following expenses:

Pill Electric—Generator, Flood Lights & Cable	\$ 718.90
New England Telephone Co.—Red Phone Expenses	512.23
Shepard Auto Supply—Tail Pipes & Mufflers	153.02
Pill Electric—Electrical Supplies	141.67
Spear's Garage Inc.—Batteries	85.41
Myrl C. Phelps & Sons—2-600 Gal. Tanks & 1,000 Gal. Holding Tank	488.77
Total Expenses	<hr/> \$2,100.00

During the year 1980, The Danbury Volunteer Fire Department responded to forty calls (24 more than 1979) as follows:

4 Structural Fires	1 Mobile Home Fire
1 Vehicle Fire	16 Chimney Fires
8 Brush or Grass Fires	4 Smoke Investigations
2 Humanitarian Assists	4 Mutual Aid Assists
Maurice E. Ford—Commissioner	
Lloyd A. West—Commissioner	
John W. Wentworth, Jr.—Commissioner	
Robert B. Ford—Chief	

F. A. S. T.

In February 1980 in order to promote development of an Emergency Medical Services System in District 5 of the N. H. Ambulance District, equipment purchased with funds obtained through a Federal Grant was transferred to local communities involved in this system.

Danbury is located in E. M. S. District 5. The Danbury Police Department agreed to sponsor the initial funding under their budget to develop a First Aid Stabilization Team (F. A. S. T.) in town. At town meeting, March 1980, \$500.00 was designated for F. A. S. T. expenses under the Police Budget.

The purpose and ultimate goal of this district program was to enable the local units to become self sufficient in the operation of their local system administratively and fiscally. To get them started a \$75.00 tuition scholarship for Emergency Medical Technician training was paid through this grant for Cpl. Ann Knott, Danbury Police Department. We accepted title to various pieces of equipment obtained from a Federal Grant through the efforts of District 5 headquarters. This consisted of four regulation first aid jump kits, partially equipped, valued at approximately \$300.00 each, four Monitor Pagers with desk chargers, valued at \$265.00 each and one portable oxygen unit valued at \$150.00. A total equipment value of \$2,410.00. With the town allocated funds of \$500.00 the supervisor completed stocking of the regulation jump kits, purchased and outfitted two smaller first aid jump kits and purchased a portable throw-away oxygen unit, plus accessories for the large oxygen unit obtained from EMS 5, which was incomplete.

It has been a pleasure to watch the squad grow and generate such favorable response from fellow townspeople. This fall the supervisor was invited to speak to the P. T. O., the Historical Society and the Waukeena Extension Group to explain the F. A. S. T. squad function and purpose.

For the first time there was a First Aid Station manned by E. M. T.s at the Annual Grange and Community Fair. Four accident victims were treated during the day, with one being admitted to the hospital for further treatment.

Emergency telephone number stickers have been distributed, sponsored by the F. A. S. T. squad. (If you did not get one, please contact a member.)

In co-operation with the Kearsarge Chapter American Red Cross we sponsored a Multi-Media First Aid Course in October which graduated eight first aiders.

The squad is all volunteer labor and members receive no remuneration for their time and or expense involved in responding except the personal satisfaction of knowing they did their best in a people helping

people situation. The travel expenses to EMT training classes and registration fees are paid by each individual.

In December the F. A. S. T. squad received its first contribution direct to the squad and a memorial fund account has been started, plans are underway to incorporate.

Inservice training sessions have been held on the 4th Friday of each month since the organizational meeting in September. The present team consists of seven members. Three registered EMTs, two First Aiders, one EMT in training and one C. P. R. We responded to twenty four calls in the first ten months of operation.

MEMBERS: Merton Austin, Michael Barnett, Debbie Glidden, Ann Knott, Andrew Phelps, Phyllis Taylor, Phyllis Wiggin.

Respectfully submitted,

Ann Knott, Supervisor

ANNUAL REPORT

Franklin Community Action Program

We have had an extremely busy year here at the Franklin Area Center, again our programs have expanded and extended, especially the Energy Assistance Program, due to rising fuel costs. A total of \$430,800.00 was provided for our clients in our area through Federal monies.

Due to all the towns and Franklin supporting our budget last year, we were able to hire a second outreach worker. This position was greatly needed to reach the elderly and handicapped to provide them with our assistance. Also, that position has helped to alleviate the workload from the increased needs of our present programs and new programs that have been funded or generated to be conducted from our office, such as the new WIC (women, infants and children) and the Wood Co-op programs.

After many months the WIC program has started. It has been a resounding success with every clinic filled to capacity.

The Wood Co-op started slowly but has gained interest and enthusiasm, possibly due to the high fuel costs.

In addition to the above programs we have continued to serve our clients in Franklin and the surrounding areas with our regular programs such as Weatherization, Rural Home Repair, Transportation, Senior Companion Program, Elderly Nutrition (congregate and Meals on Wheels) and Family Planning.

The City of Franklin has generously endowed the Bi-Rite building to Community Services. CAP is trying to obtain a grant to renovate this building and hopefully by this time next year we will be housed there. Day Care has already moved their quarters down there. Much volunteer work and materials will be needed after we receive the Grant.

The city of Franklin in coalition with B/M CAP are making plans with HUD through the Small Cities Block Program to start a housing rehabilitation program. Should the grant come through, \$300,000.00 will be available to administer help with homeowners with repairs etc. in that area.

We have taken a survey to help the City of Franklin prepare a request for this Federal Grant money to be used for improving the quality of housing in this neighborhood. The information gathered from this survey will help determine if we are to receive this money, and how much of it we will receive.

We still have openings on our Advisory Board for anyone interested. Please give us a call if we can help you with anything!

Sincerely,
Tillie Lemire
Area Director

KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT OF SERVICES

The Kearsarge Visiting Nurse Association continues to serve the residents of its nine participating towns with home health care on an individual basis and health promotion clinics on a community basis. Greater efficiency has made it possible for us to request no increase in the per capita assessment of \$1.95 from each participating town.

The Kearsarge Visiting Nurse provides the following services for your town!

HEALTH PROMOTION—FREE

Immunization Clinics, Child Health Clinics: Preschool Dental Clinic, Speech Therapist, Nutritionist; Prenatal, Newborn & Postpartum Care; Child Protection Team; WIC Supplemental Food Program; Infant Car Seat Loan Program; Adult Health Clinics; Food Bank; Medical Equipment Loan Closet and Blood Pressure Clinics.

CARE OF THE SICK—REIMBURSED

Skilled Nursing Care (RNs): Acute and chronic care for medical, surgical and mental health patients, Blood Drawing (new service), injections, dressings, heart/lung exam, etc.; Physical Therapy; Occupational Therapy; Home/Health Aide; and Homemaker (where medically necessary).

The growth of the KVNA is reflected in a total of 123 Nursing Care visits, 39 Physical and Occupational Therapy visits and 41½ hours for Home/Health Aide and Homemaker for your town.

If anyone knows of a relative, friend, neighbor or family who needs help, please call us at 526-4077.

Your continued support and confidence in our organization allows us to grow and serve the health needs of your community.

Robin Gallup, RN — Tanya Wilkie, RN
Co-Directors

Your town representative is: Ann Knott

JIMINY CRICKET KINDERGARTEN REPORT

The Jiminy Cricket Kindergarten has had a very successful and happy year. We have an enrollment of ten children, and each youngster is showing good potential as the year moves on. Our main endeavor is to get the children to work and study with other youngsters to prepare them for the first grade at public school.

In October the children went on a field trip to Benson's Animal Farm. It was a wonderful day of viewing the animals, playing on the antique fire engines, and enjoying many rides in the amusement section. We visited the Danbury Post Office, and each child purchased a stamp to mail a card to their parents. On another day the youngsters visited the George Gamble Library in Danbury.

A very joyous Halloween and Christmas party, which all pre-school children and parents were guests, were big events for the youngsters.

The Jiminy Cricket Kindergarten participated in the Danbury School Christmas program, and sang their favorite Christmas Carols. It was especially nice that the kindergarten was invited to attend on an annual basis.

Our sincere thanks is extended to all of the parents and the public for helping with the Bake and Plant sale. An extra thanks to the parents who helped to make our parties so successful.

Hopefully, next year will exhibit further gains that will help the children.

The Jiminy Cricket Kindergarten Committee
Mary Pease, Teacher

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

REPORT OF THE DANBURY PLANNING BOARD

After the Town voted to join the Lakes Region Planning Commission John Michels and Merton Austin were elected to represent Danbury on the Lakes Region Planning Commission (L. R. P. C.).

On several occasions Roger P. Akeley, Jr. and Jim Rollins from the L. R. P. C. met at the Town Hall with the Planning Board and Alternates. They explained the responsibilities of a Planning Board, and the steps for developing a master plan for Danbury. Every community is required to have a Master Plan even if they do not have zoning. This entitles the Town to continue to receive State and Federal highway funds. The first steps are an accurate base map and a community survey to see what the people would like to have in their town.

A public meeting was held in August with 45 interested townspeople attending. The following topics were presented:

Reasons for having a Master Plan: Jim Rollins, L. R. P. C.

Land Classification: Bill Brownell

Lot size: Austin Bowlby

Mobile Homes: Don Hartlen

Industrial/Commercial land use: Bill Brownell

Flood plains: Jon Schurger

Multi-Family dwellings: John Michels

A discussion followed each presentation during which many helpful suggestions were offered. A number of people volunteered to help with the work of developing a Master Plan.

In September, Kate Day of the L. R. P. C. reviewed the preparation of an Existing Land Use Map and the purpose of a Community Survey. The Planning Board appointed Noel Phelps to update the Base map consisting of roads and dwellings, etc. Austin Bowlby was appointed to prepare, circulate and tabulate a questionnaire. Jon Schurger was to check on the status of Class 6 highways in Danbury. Many volunteers have assisted on these committees.

We have received a great deal of assistance from the Lakes Region Planning Commission including:

Meeting with the Planning Board on several occasions to discuss the master planning process;

Prepared written critique of current Danbury subdivision Regulations;

Assisted Planning Board with development of the Danbury Community Attitude Survey;

Updating the Town's Base Map and assisted with the development of an Existing Land Use Map;

Provided building permit models used by other towns in the region; also provided information on building code requirements enacted by towns in the region;

Furnished aerial photographs of Danbury to the Planning Board;

Supplied information on the Flood Insurance Program to Board;
Supplied Planning Board with 6 copies of land capability map;
Supplied Danbury with a dozen maps for use in updating the Base map.

Supplied numerous copies of planning booklets and model ordinances.

The Board wishes to express their appreciation to Gertrude Mauch, Treasurer, who served faithfully since 1970 until her resignation in December 1980.

Two new state laws have gone into effect which concern us:

1. Before any person adds another living unit to a piece of property or building they should apply to the Planning Board for subdivision approval.

2. For any new excavation (gravel, topsoil, rock or construction aggregate) a permit is required and a public hearing and abutting hearing must be held prior to the granting of said permit. All excavations now requires is upon completion of the excavation the restoration of the ground.

Respectfully Submitted,
Phyllis J. Taylor
Secretary
